

Bangor Scholarship Foundation

May 11, 2016

Dear Alumni, Friends, and Supporters:

The Bangor Scholarship Foundation is extremely pleased to report that thanks to your generosity and efforts we are able to award seven \$2000 scholarships. This year's outstanding group of recipients are Katie Horstman, Samuel Johnson, Kellen Kravik, Seth Plenge, Jack Reader, Karlee Tart and Kassidy Wuensch. We congratulate them all!

On behalf of the Foundation, we want to thank you for your support of this important local organization. As you know, the sole purpose of this organization is to provide financial assistance to Bangor School District graduates towards their academic careers of post high school education. Your assistance helps these graduates achieve their future goals by continuing their education at the college level.

Unlike many other charitable organizations, the Bangor Scholarship Foundation does not have any professional staff, and our board is comprised entirely of volunteers. There is no overhead expense to operate this organization. All donations are deductible on your federal tax return and are extremely appreciated.

We would like to thank all of you for your past and continuing support. We would also like to thank all who participate in the Annual Myrna Davis Golf Outing and our many participating sponsors and donors. This event continues to be a success every year.
